

attempting to break the world skipping record and keep fit

Term 2 Week 2 - Wednesday, 7th May, 2008

Dear Parents

Newsletter Attachments

There will be times when the Newsletter will have a number of attachments to it to give parents more in-depth knowledge on a particular item. Please don't discard them as they are quite important in the information that they contain. This Newsletter is one that has a number of important attachments.

Regional Representation

Aden Newman, Joseph Trinder and Zac Craw were our school representatives in the District team at the Regional soccer trials at Junee last Friday. All the boys played exceptionally well and Joseph showed enough skills to earn a place in the Regional team to play at Kellyville in June. Thank you to Zac's grand parents who transported the boys to and from the carnival. We all appreciate your efforts.

District Representation

Paige Louttit, Jessica Dodwell, Meagan Lincoln and Lauren Taylor were selected for the District netball trials at Cootamundra last Thursday and were good ambassadors for the school. Due to some strong opposition Meagan was our only successful player and will represent the district as a goal shooter. Well done girls and good luck Meagan.

State Rugby League Knockout

Yesterday our open rugby league team travelled to Junee for the opening match in the State Knockout competition. Unfortunately we were defeated in a very close tussle, 24 to 22. Our boys played good solid football and kept their cool even when the opposition were becoming frustrated with our defence and became unnecessarily physical. We have the makings of a good team for 2009 although we will miss the power that our Year 6 boys brought to the game, especially Jesse McAllister, Keiren Betts-Smith

and Henry Hughes. Joseph Trinder, Jalen Ballard and Jason Cronin showed good pace in both attack and defence, Alec Betts, Cody Hotston and James Quinn were good impact players off the bench, while the reliability and potential of Jarrod Chapman, Liam Moston, Matt Raleigh, Aden Newman, Zac Paterson, Zac Craw and Will Louttit will be invaluable in next year's team. Well done to Kyle Maguire who led the side through example. Mortimer Shield will be played at Temora of Wednesday, 28th May where all of these boys are expected to again put up a good showing.

A special thank you to those parents who helped with the transport. Without you we would not be able compete in games such as these.

Mr Cooper and Mrs Sandra Clifford, our School Education Director presented our two special Aussie's of the Month, Joe Warner and Jessica Meale with their certificates.

Musical Opportunity

We are lucky enough to have the services of Lars Berg as a very talented music teacher for two afternoons each week. Lars teaches keyboards, guitar and drums, as well as conducting vocal training. If you are interested in having your child taught by a professional musician please contact SoulSpeak Productions on 6942 7721

(mobile 0438 475 778) or email info@soulspeak-productions.com.au . Prices are very reasonable for a 30 minute session either individually, shared or in a small group.

Valuable Items

Parents should be aware that if children bring valuable items to school such as mobile phones, iPods, computer games, pieces of jewellery, etc, they are the responsibility of the child. All care will be taken to ensure that they are safe but neither staff nor the school or Department of Education are not responsible if the item is lost or damaged.

Girls Austag

A note will go home regarding the rescheduled date for the postponed Austag game against Young Public School.

The teachers prepared a lovely "top-up breakfast" promoting the "Walk to School" day last Friday.. "Brekky" consisted of fresh fruits and slices of bread with vegemite and honey. It was very quickly demolished by all the children.

Jump Rope Meal Deal

Don't forget Jump Rope Meal Deal this Friday - Hotdog, Juice or Milk and an ice-cream - \$5. Place your orders at the Canteen.

Sock it to you!

This month the P&C have found a new and different fundraising event. Your "Sock it to you" catalogue is with this newsletter. Inside there are many different products, not just socks. Please support this unique fundraising as all the profits are for the benefit of our kids. Please have orders and money back by the 23rd May. Thank you for your support.

Mothers Day Stall

The P&C are holding a Mothers Day Stall at school this Thursday and Friday both at recess and lunch. The office has been inundated with loads of beautiful gifts. The P&C are greatly appreciative of your wonderful donations and expect that the stall will be a huge success! Prices will range from 50c to no more than \$5.00. At Thursday recess those who have donated a gift (students should have a gold pass or have had their names recorded at the front office) will have first choice at the stall. At Thursday lunch the infants and Year 6 only will have the opportunity to purchase. On Friday recess the primary students will have the opportunity to purchase then at Friday lunch, should there be anything left, the stall will be open to all students. From what we have seen being donated our mothers will be very lucky and spoilt on Sunday. Happy Mothers Day to all!

Mothers Day Raffle

Mothers Day raffle will be drawn this Friday. Please make sure that your tickets have been handed in. 1st Prize is \$100 fuel Starcard donated by South West Fuel, 2nd prize is twin porcelain dolls, 3rd prize is Avon pack including bathrobe donated by Kim Rumble. Tickets \$1.00 each. Winners will be notified as soon as raffle is drawn.

Student Banking

Student banking is every Thursday. If you wish your child to participate please see Leanne at the ANZ Bank and she will open an account for your child.

Canteen Roster

Thurs 8th – Lorraine Hopgood, Heather Betts-Smith

Fri, 16 th May	School Cross Country Championship
Mon, 19 th May	K/1E Assembly and Artist of the Month

Thought for the Week

The amount of time a lift takes in arriving is directly proportional to the lateness of the person waiting for it.
