

E.A. Southee School

Song

The School Song was written and music arranged by Mr Ray Price
Deputy Principal (1972-83)

1. On the side of a hill we work with a will,
To improve how we live, and learn what we must.
Our aim in life is to be what we are,
And later on to be better by far'
Oh E.A.Southee School.

Chorus:

E.A. Southee School E.A. Southee School.
We strive all day, at work and play
To do our best without any rest,
For E.A. Southee School

2. Our Colours tell our heritage well,
Of a man and a town of great renown,
A scholar great he was we know,
To him and the town our thanks we show,
For E.A. Southee School.

Chorus:

3. Maroon and gold we wear! Maroon and gold we wear!
We strive all day, at work and play,
To do our best without any rest,
For E. A. Southee School!

Coda:

E.A.Southee School, E.A.Southee School!
We strive all day, at work and play,
To do our best, without any rest,
For E.A.Southee School!
For E.A.Southee School!
