Dear Parents and Carers,

"Search For a Smile" School Concert
Everything is ready for a great two nights with students nervous, excited and very keen to be a part of the performance. The costumes look wonderful and the many hours of preparation by staff and students have been worthwhile. Being a part of a school event such as this builds students’ positive memories and attitudes and the benefits show with an increase in confidence and the feeling of belonging to a group is even stronger. Tickets will be available at the door unless sold out. We will start at 7.00pm and finish at approximately 8.20pm. Students must be collected from the auditorium, not the Wattle Room. Looking forward to seeing everyone at the concert.

Kangaroo March
Students proudly represented our school on both Friday and Saturday when they read out their stories they researched on World War 1 veterans from Cootamundra. Some had enlisted with The Kangaroo March when it went through Cootamundra and others enlisted later. The students were listed in the official programs and spoke confidently and clearly in front of the large assemblies at the Cenotaph in Albert Park. During the ceremonies our students listened carefully to the songs and poems as they had a clear understanding of the sacrifices made and the effects this had on families for many years.

Terms 3
Term 3 has again been a very busy term and I would like to recognise and thank the staff for the tremendous amount of energy and dedication they give to the students in our school. This is shown by the care teachers show towards our students in building their learning strategies within a caring, supportive environment. The HOW2Learn program is well established and our wellbeing team are organising a review of the school rules by students. Thank you to all parents/carers who support our school and to the P&C for their continuing efforts and ideas for improvements.

Term 4
Staff and students return to school on Tuesday, 6th October for Term 4. Some of the events listed for Term 4 are: - the Year 3 Canberra and Year 5/6 Broken Bay excursions, Symbols of Peace relay, Daniel Morcombe assembly, ACT Concert Band visit, Life Education visit, Kindergarten 2016 and Year 6 to 7 orientation programs and Learn to Swim program. The early return of notes, money is appreciated for these events as this helps teachers who are organising the event.

Logan Hotston and Zak Cocorelis working hard in Maths.

Skoolbag
Our new Skoolbag App will be up and running through the holidays. It is very user friendly! Please take this opportunity to download it from iTunes or Google Apps. It is free! Please go to App Store and search “EA Southee Public School”. This is another avenue that will allow us to communicate with parents. This App will alert parents when things are happening at and around school. An alert will be sent to your phone/computer/iPad for newsletters, upcoming events, absentee notes and we are looking at putting all permission notes onto this system. There will be a P&C section, a Canteen section and many other links that you will be able to access via this App.

Amelia Blackney, Cody Cocorelis, Yasmin Lambert, Caitlyn Smith and Boo-Peaches Foster working together with Miss A.
